THEMES & SPECIAL EVENTS

Week 1 Theme: Taste of Cultures

Bienvenidos to our summer cooking camp en Espanol! We will focus on five Latin American countries and their dishes, as a means to invite your child's palate to travel through the folklore and traditions of these countries through culinary experiences. We will enjoy learning about history and ingredients, and vocabulary of the recipes we will prepare. The children will also be part of a challenge in figuring out ingredients in completed dishes to make up their own.

Week 2 Theme: To Meat or Not To Meat!

Our young chefs will experiment with different flavors. Savory and sweet are not just their favorites, but the base for their interpretation of five recipes that have been fused into our daily life. We will work with ingredients to substitute the use of poultry or beef. I know that your children will enjoy it!

COOKBOOK & FEAST
