Room # _____

Mondays through Thursdays, approximately 4:00 PM, children are given the opportunity to work on their homework at a Footsteps Child Care, Inc. site. We do not provide a homework time on Fridays.

They may work on homework up to one-hour daily, depending on grade level and individual needs. Children working on homework are provided with a quiet space and materials available to complete most assignments. Staff is available to assist and encourage each child to do their homework individually.

Please read this contract with your child. Both of you sign this form if you want your child to work on homework during our program.

This homework contract is between each child and his or her parents/guardians.

It is the Parent/Guardian's responsibility to check homework each night to make sure it is complete and ready to return to school. Parents/guardians are expected to monitor their child's progress.

If we do not receive a signed contract from you, we will not ask your child to do homework while in our care.

I would like my son/daughter to work on homework after school.

Approximately how many minutes do you want your child to work on their homework daily? _____

If your child receives a homework packet at the beginning of each week, please indicate the number of pages per day you want your child to complete _____.
